AN UNCONVENTIONAL BUSINESS STORY...

## Michael Franzese

FORMER MOB BOSS

Michael Franzese grew up as the son of the notorious Underboss of New York's violent and feared Colombo crime family. At his most affluent, he generated an estimated \$5 to \$8 million per week from legal and illegal businesses. It was a life filled with power, luxury...and deadly violence.

In 1986, he was named by *Vanity Fair* as one of the biggest money earners the mob had seen since Al Capone. At the age of 35, *Fortune Magazine* listed him as number 18 on its list of the "Fifty Most Wealthy and Powerful Mafia Bosses", just 5 behind John Gotti. Then Michael's world was turned upside down when he met a beautiful dancer named Camille Garcia, whose innocent beauty, and faith inspired him to change his ways. After marrying Camille, Michael took the rap on racketeering charges and accepted a 10 year prison sentence and vowed to do the unthinkable – walk away from the mob. Nobody of his rank had ever just walked away – and lived. Until now. Determined to use the compelling experiences of his former life for the benefit of anyone seeking the inspiration to beat the odds and make positive changes, Michael's open and honest story will inspire and captivate you!
