Steve Green

– FAITH, BUSINESS AND THE BIBLE –

Steve Green, President of Hobby Lobby, a highly esteemed "Unconventional Business" leader will share how his family grew Hobby Lobby into 700 stores, nationwide, and employing 32,000.

During this journey, they have been able to amass the largest collection of Bibles and assemble a team of academics, designers, technology professionals and other experts to create the 430,000-square-foot Museum of the Bible, dedicated to a scholarly and engaging presentation of the Bible's history, narrative and impact. It opened Nov. 17, 2017, in Washington, D.C., three blocks from the U.S. Capitol. You will be inspired and moved as Steve shares detailed stories of God's divine intervention.
