A GATHERING OF **FAITHFORWARD™** BUSINESS WOMEN...

Kim Plank

General Manager, Cambridge Innovation Center (CIC)

Director-Midwest, Venture Café Global's, Captain of Innovation Program

Kim's unconventional business story begins with her family's motorcycle business in Southeastern Ohio, where her passion for entrepreneurship ignited. Since then Kim has launched multiple small businesses, including mystery shopping, advertising, domestic cleaning services, and more. She has also served the St Louis Regional Chamber as a seasoned economic developer—recruiting

Health Science and Services & Biosciences business to the region. Her faith-filled compassion is witnessed in her ongoing involvement with North St Louis ministries that foster sustainable economic advancement and racial reconciliation. Today, she leads CIC St Louis which connects about 270 innovative entrepreneurs to programming, venture capital, and a vibrant community of collaboration.

You won't want to miss her amazing, unconventional business story!
