BUSINESS
STORY...

Peter Demos

- Restaurateur - Businessman - Lawyer -

Peter is the president and CEO of Demos Brands and Peter D's Seasonings. He is also the multi-generational owner of the Demos' Restaurant chain and their legal council. Combined, these companies employ more than 500 people. A handful of LLCs, including a real estate company, complete Peter's business portfolio.

Faith and work merged for Peter later in life, when he answered an alter call and soon after, attended a seminar that challenged his new-found faith. "Before becoming a Christian, I had to be in control of things," Demos recently told the Hendersonville Standard. "Business books tell you that's what you must do to succeed." But today, Peter now considers God the managing director of his many restaurants and businesses.

We are delighted to have him share his "Unconventional Business" story with our St. Louis audience. You will not want to miss the opportunity to hear from Peter, or the opportunity to visit with him during the Meet & Greet time. He will be showcasing his newly released book (2019), *Afraid to Trust: One Man's Journey to the Love of God*.

A special thank you to our gold sponsors!
