Jo Saxton

- author, speaker, podcast host and leadership coach -

"Are We Ready to Rise?"

Do critical times produce Godly leaders? Many of our Biblical heroes emerged into leadership and influence in response to times of pressure, crises and circumstances beyond their control. In an era of profound seismic shifts in work and culture, how we prepare and how we lead matters. What can we do to be ready to lead through these moments? Are we ready to rise? Join Jo Saxton for an inspiring City Connect as she shares her insight with effervescent honesty, warmth and practicality.

Ms. Saxton, from London and now the U.S., has dedicated her career to growing leadership teams around the world and empowering others to find their purpose in their personal lives and in leadership. Her podcasts are heard regularly on Right Now Media. She is also the author of several books, including *Ready to Rise*. You won't want to miss this inspiring City Connect!
