STORY...

Rev. Johnnie Moore

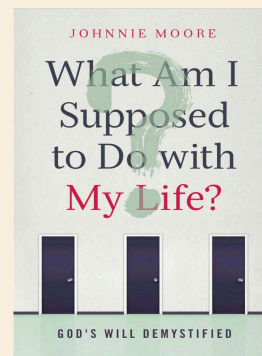

- *Businessman and Top 10 Most Influential Religious Leaders* -

"Maximizing Your Impact as a Christian In the Marketplace"

What can every businessperson have in common with the Apostle Paul? Paul was a businessman - he made tents - yet, he was also a spiritual leader. Come hear Reverend Johnnie Moore, businessman and one of the top 10 influential religious leaders in the country, talk practically about the connection between faith and work.

Rev. Moore is founder of The KAIROS Company, one of America's leading boutique public relations and communications consulting company, the youngest recipient of the "medal of valor" for his efforts in rescuing Christians from ISIS in 2015, and a seven-times author. Johnnie will both challenge and inspire as he reveals his unconventional business story.

A special thank you to our gold sponsors!
