STORY...

Dr. Mark Whitacre

Corp. Business Exec., FBI Whistleblower, Portrayed by Matt Damon in "The Informant."

"When Good Leaders Lose Their Way"

Talk about God's transforming power! Dr. Mark Whitacre was the highest-ranked executive of any Fortune 500 company to become a whistleblower in U.S. history, but little did authorities know that he was addicted to power and on a one-way street to self-destruction. After he was arrested in the early 1990s, a jailhouse conversion turned his life around. His story is so incredible, Matt Damon portrayed him in the Hollywood movie, "The Informant".

Today, Mark is Executive Director at Coca-Cola Consolidated. He is a sought-after speaker and provides one-of-a-kind insight into corporate ethics, corporate greed, and the warning signs of a flawed corporate leadership. This is a City Connect you don't want to miss! Come hear his remarkable and inspirational faith + work story.
