Dr. Caroline Leaf

Bestselling Author, Cognitive Neuroscientist, International Speaker & Podcast Host

"Think, Learn, Succeed"

Dr. Caroline Leaf has helped change the lives of millions worldwide by teaching mind-management techniques to unwire toxic habits and thoughts. She was one of the first in her field to study how the power of the mind can change (neuroplasticity). Her passion is to help people see how the power of the mind can change the brain and identify the link between science and spirituality. Dr. Leaf speaks directly about how to help you control your thoughts and emotions so you can find your sense of purpose in life.

Since the 1980s, Dr. Leaf, a communication pathologist and cognitive neuroscientist, has researched the mind-brain connection, the nature of mental health, and the formation of memory. Two of her many bestselling books are *Cleaning Up Your Mental Mess* and *Think, Learn, Succeed*. She currently teaches at various academic, medical and neuroscience conferences, as well as in churches around the world.
