"Tough Conversations Can Transform Relationships"

What do you do when you want to shut up, blow up or give up on a boss, employee or co-worker? Nicole Unice calls these "miracle moments" – opportunities to create the relationships you've always wanted. Nicole speaks frequently about these moments of honesty, healing, renewal and lasting change. Her standout quality is her ability to relate to audiences of all types with her "let's be real" approach to centering work, home, and life on God's word.

Nicole Unice is an Author, International Speaker, RightNow Media contributor, Podcast Host, and Leadership Coach who graduated from the College of William and Mary and Gordon-Conwell Theological Seminary. She brings both wit and wisdom to the speaker's platform, with an honest and vulnerable approach that appeals to both faith and leadership environments.

"If you change, everything and everyone around you will change," Nicole says. A timely reminder that change in the marketplace begins with us.
