Brig Sorber

Author | Speaker | Founding Member of Two Men & a Truck

"Moving Forward: A Journey for Hope and Meaning"

Brig Sorber believes that an authentic, personal relationship with Christ radiates and those around you can see it. This relationship with Christ taught Brig to pray, seek God's direction and trust Him. He knows what it looks like to try to fix things in your own power and focus on building wealth rather than trusting God and building people. After realizing the type of success he had built was empty and unfulfilling, he turned to his faith and gave his life and business practices to God.

Brig is part of the founding family of Two Men and a Truck International LLC and is one of the original "two men" along with his brother, Jon Sorber. The brothers started their business in the early 1980s to earn spending money using a 1966 pickup truck and an ad placed in the local shopping guide.

After many years, Brig worked his way up to President and CEO until selling the company in 2021. Today Brig speaks nationally, sharing his faith, business leadership philosophy, and challenging other business leaders to trust God with their lives and careers.
