## Going Deeper

*This section is an extension of the above material and is designed for a deeper study/devotion on your own. Read the scripture below and take time to journal and put this content into practice to help shape your culture at work.*

7. Being an influencer for Christ in the workplace can be a scary idea to consider. When you think about it, it shouldn't be scarier than the alternative for what happens to those who don't know Christ. Read Matthew 5:13-16. What prevents you from becoming more intentional with your faith at work? What steps can you take to change?

8. Becoming bold with our faith can often be met with excuses. Sometimes in life, we need a mentor to walk alongside us and help us get over the excuses to achieve what God is calling us to do and be. Read Proverbs 27:17. Determine who would make a good mentor and ask them to begin meeting with you regularly.
