## ■ Statement of Faith

As a statement of faith we affirm:

The Holy Scriptures as originally given by God, divinely inspired infallible, entirely trustworthy and the only supreme authority in all matters of faith and conduct;

One God, eternally existent in three persons, Father, Son, and Holy Spirit;

One Lord Jesus Christ, God manifest in the flesh, His virgin birth, His sinless human life, His divine miracles, His bodily resurrection, His ascension, His mediatorial work, and His personal return in power and glory;

The salvation of the lost and sinful man through the shed blood of the Lord Jesus Christ by faith apart from works and the regeneration by the Holy Spirit;

The Holy Spirit by whose indwelling the believer is enabled to live a holy life to witness and work for the Lord Jesus Christ;

The unity in the Spirit of all true believers, the Church, the Body of Christ;

The resurrection of both the saved and the lost, they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation.

Our philosophy of integrating the business aspects of a person's life with the spiritual and social elements begins with the assumption that God has a plan for the life of every believer in Him. Taking that thought a step further, He also has a plan for every corporation, partnership, LLC, not-for-profit, etc. Our task is to assist the business person in finding God's will for their entity, by the Holy Spirit develop a plan to fulfill God's will, and understand God's stewardship principles throughout the whole process. We believe God works best through accountability structures as evidenced by the order ordained in the Church and God's command for us to obey the government and all other earthly masters. The Scriptures are replete with admonitions to seek wise counsel from a number of sources, to submit to one another, and to recognize our need for other members of the Body of Christ.

We believe that the business owned by a Christian is called to stand out in a sin-sick world and avoid conformity with the standard business practices when they violate the principles laid out in the Bible. God has a higher call to the Christian owned business in such areas as hiring, firing, compensation, suppliers, debt, stewardship, resource management, legal matters, disputes, time management, etc.

God wants Christian business owners to establish a secure financial structure in order to honor the other individuals with which he comes into contact. When this occurs, non-Christian employees, suppliers, customers, and even family members can be reached with the reality of Christ. It is our calling to help establish these businesses as lights on a hill that give back to the Church and community around them.

I hereby sign and affirm my agreement with this statement of faith:
