

Forum Lesson: *Culture of Discipleship*

Discussion Guide

Discussion Questions

These questions are meant to facilitate discussion and application steps for you.

1. Where do you see younger or less-experienced people in your workplace who may be craving guidance, affirmation, or direction—whether they say it or not?

2. How does Dave’s approach challenge the idea that mentoring is only for ‘put-together’ or senior leaders?

3. What values—spoken or unspoken—are currently being passed down in your organization through behavior, not policies?

Forum Challenge:

4. Identify one simple, relational action you can take in the next two weeks (a conversation, invitation, shared story, or intentional encouragement) to begin mentoring someone in your workplace. As part of that step, consider who you might invite to the *next Forum meeting* so this conversation and learning doesn’t stay isolated.

“Walk in wisdom toward outsiders, making the best use of the time. Let your speech always be gracious, seasoned with salt.” — Colossians 4:5–6
