

SUBJECT: I'm Starting a New UBN Forum — Would You Join Me?

Hi [Name],

I'm excited to share that I'm launching a new UBN Forum here in [City/Area], and I would love for you to consider being part of it.

This Forum will be a small group of Christian business professionals who meet monthly to encourage one another, pray together, and grow in integrating faith and work in practical ways.

This isn't your conventional networking group —just honest conversation about real workplace challenges, practical biblical wisdom, and consistent support from peers who understand both the pressures and the purpose of your work.

As part of this Forum, you can expect to:

- Share real workplace challenges in a confidential setting
- Learn and apply biblically grounded business principles
- Pray together and support one another
- Build meaningful relationships with people who truly know your story

We'll be holding our first gathering soon:

Date: [Insert Date]

Time: [Insert Time]

Location: [Insert Location]

If this resonates with you, please RSVP by replying to this email. I would be honored to have you join us.

You don't have to navigate work and faith alone. I hope you'll prayerfully consider being part of this new Forum.

Warmly,
